## PPP ROUND 2: QUALIFICATIONS, RISKS & MEASURES YOU NEED TO KNOW

The newest round of the Paycheck Protection Program (PPP) offers much needed relief to help small business owners. The goal is to **help small businesses stay open** and **continue operations** until they can return to “normal” without having to close down - possibly permanently.

This round of the program is much more liberal, yet also more restrictive in many aspects - and **only certain companies will qualify for the loan**. We'll take a close look at round two of the PPP, clear up the confusion - and answer the question of who qualifies for the loan?
